

Tanglewood Garden Club,

We are looking forward to a fun year with many new and old members. The board has been very busy planning fun activities so we can meet even more of our neighbors and provide opportunities to welcome new families. We have great speakers lined up as well as updates on what's happening in our club. Planning is underway for the Fall Coffee, Holiday Tea, Progressive Luncheon, Spring Luncheon as well as Outings and the Spring Trip.

This year we are starting SubClubs which will meet monthly and make it easier to get involved and see members more often. Some of the monthly SubClubs include a book club, Chinese Mahjong, lunch bunch, walking group, Tanglewood Mom's group, movie club, wine and cheese and Tanglewood Park. You must be a member of TGC to participate. Pick and choose different events, sign up for something different each month and try them out. The best way to make new friends in Tanglewood is to get involved. Tanglewood Garden Club is always looking for volunteers with meetings, food, activities and events.

Mark your calendars for all the upcoming events and join the club if you have not already. Invite your neighbors or if you meet a new resident share the website with them so they can join and meet new friends. Membership is online at tanglewoodgardenclub.com.

Please join us at the Fall Coffee September 17 to sign up for membership, SubClubs, Fall Outing, and Spring Trip! See you there!
